Dear Joe,

I am writing to thank you for assisting me in obtaining a SBA loan. In today's current financial state, it is quite an accomplishment to borrow close to one million dollars. As you know, I originally hired another company to assist me and they were unable to accomplish the task.

Thanks to your help and the loan approval DVC is poised to make a full financial recovery and to rebound from this recession stronger than ever. After 25 years of impeccable credit, we were very disillusioned with the financial institutions that abandoned us. You have helped to restore our faith in free enterprise and the American way!

Should anyone ever ask for a reference for you or your company, please feel free to have them contact me at any time.

Once again "thank you" and have a great Holiday season,

Sincerely,
